GREEN SANCTUARY
CONGREGATION

January 14, 2024

Dear Members and Friends,

It is time for each of us to reflect on what All Faiths means to us as individuals ... both long-time congregants and those who have recently found this haven where all are welcome.

It is time to **Celebrate All Faiths**...a place where the light of truth is valued and liberal thoughts can be discussed freely; a place that provides a light for our individual spiritual journeys and growth as individuals; and a place whose social action outreach shines a bit of brightness into the lives of those in the greater community who are marginalized and struggling.

One way to celebrate All Faiths is to contribute funds for its upkeep and operations...for staff salaries and benefits; utilities and insurance; building maintenance and landscape costs; committee and programming expenditures; office supplies, advertising, and printing costs; music, guest musicians, and worship expenses; etc. The cost for each of these things has increased significantly. Please contribute with that in mind.

Pledges allow the Finance Committee to anticipate revenues that will be received and thus establish a realistic budget for All Faiths' 2024-2025 fiscal year. A pledge card is enclosed for you to complete and return by February 13, 2024. For those who prefer to complete it on-line, an electronic pledge card is being sent via e-mail. All contributions, no matter how small, are welcomed at any time.

Your past and continuing support of All Faiths is greatly appreciated. Please **Celebrate All Faiths** and the many things it brings to your life by supporting this pledge campaign and thus helping shape All Faiths' future.

With hope for a bright All Faiths future,

Your Stewardship Committee
